

The Healthcare Financial Management Association of Northeastern New York is pleased to present the following education session:

Event Forum: *CHARGEMASTER STRATEGIES SEMINAR*

Where: The Edison Club, Rexford New York
When: February 8, 2011 (Wednesday)
Time: 8:30 a.m. Registration & Breakfast
 9:00 a.m. to 3:00 p.m. Presentation

Schedule of events:

8:30 – 9:00 Registration and Continental Breakfast
12:00 – 1:00 Lunch and Networking
9:00 – 3:00 Morning Break and Afternoon Break (15 Minutes):

This is a working session that includes the practical application of Chargemaster concepts through case studies and the review of your hospital’s Chargemaster. This seminar teaches the proper use of the Chargemaster system for the process of review, assessment and enhancement. After this seminar, you will be able to:

- Review the Chargemaster, as well as the charge capture processes with an eye on how they apply to compliance, coding/billing and APCs, not only from a Medicare perspective, but also how the Chargemaster and charge capture processes impact other third-party payers.
- Employ strategies in selected clinical departments including the Pharmacy, Emergency Room, Cardiology, Pulmonary Function and Laboratory.
- Apply the above information to your own Chargemaster, with an emphasis on identification of revenue and compliance opportunities that can be implemented immediately.
- References to the new 2012 changes for CPT, HCPCS, Category II Codes, Category III Codes and ambulatory payment classifications (APCs) and their impact on the Chargemaster will be included.

Speaker:

Mike Kovar is a Partner with WeiserMazars, Health Care Consulting Practice. He has led over 500 charge master, revenue capture, and patient charge compliance reviews. He received his Masters’ in Business Administration from Loyola University of Chicago, is an advanced member of HFMA, and is also an HFMA National Speaker on charge master and other revenue capture-related issues.

Who should attend:

This seminar is open to anyone, but is of special interest to all levels of Healthcare Revenue Cycle professionals to include: Managed Care, Patient Financial Services and HIS directors, business office managers and staff, Care Management, compliance officers, controllers, CFOs, etc.
