

SPONSORSHIP BENEFITS

- Recognition as a financial sponsor of high quality educational programs by over 200 health care professionals in 90 organizations located throughout the Northeastern New York area.
- Recognition of sponsorship in all Chapter newsletters and at all Chapter educational seminars and events.
- Providing information to members on important issues confronting professional healthcare financial managers today.
- Keeping local healthcare professionals aware of increasing demands of regulatory agencies and how to maintain compliance with complex and sometimes conflicting regulations.
- Additional Sponsorship benefits available with each increase in the participation level.

SPONSORSHIP PROGRAM

SPONSORSHIP PROGRAM

The HFMA Corporate Sponsorship Program is designed to enhance the quality of education programs and services to members and provide an opportunity for recognition of Chapter sponsors for their on-going support of chapter activities.

Your organization's support of the Chapter as a sponsor offers a variety of benefits as outlined in this brochure. Please take a minute to review these benefits, as well as the three sponsorship levels on this brochure's registration form. The NENY HFMA Chapter board of directors thanks you in advance for your consideration. If you have any questions regarding the Sponsorship Program, please contact Jan St. Croix at 518-862-3049.

HFMA NATIONAL

The Healthcare Financial Management Association is a professional membership organization for individuals involved in financial management in all aspects of healthcare. There are over 35,000 members involved in seventy chapters nationwide.

The purpose of the organization is to define, realize and advance the financial management of health care by helping others improve the business performance of organizations operating in or serving the healthcare field.

The Northeastern New York Chapter of HFMA has over 200 members from 90 organizations consisting of hospitals, residential care facilities, physician practice management, financial institutions, legal and accounting firms, consulting and other industry-related organizations
